Member Survey of Expertise and Equipment

At our inaugural meeting, it was decided that we should gain an understanding of career and astronomy skills, expertise and equipment that our members have in order to get the best from our Club's development, fundraising, public relations, etc, as well as interaction with the public for our viewing nights.

Please note – the information you supply is totally at your own discretion and only for Club use to get the best utilisation of our members' varying skills and areas of expertise.

PLEASE PRINT CLEARLY
