

# TAMWORTH ASTRONOMY EXPERIENCE

24TH – 28TH OCTOBER, 2022

## AN OPPORTUNITY TO JOIN FELLOW CITIZEN SCIENTISTS

Tamworth Astronomy Club members invite you to join five days PACKED with discovery...

- Learn about satellite flying from Lockheed Martin space engineers.
- Learn about mirror and lens grinding, polishing and coating.
- Full day workshop to learn to capture, photo stack and enhance astrophotos.
- Visit Siding Spring Observatory and iTelescope behind the scenes
- Visit Lowe Observatory, an amazing privately owned facility.
- Guided tour behind the scenes of some very large historic telescopes... The Hewitt Camera Space Telescope, the APT, the Uppsala Southern Schmidt Telescope and the Jos Roberts 36” .
- Meet and work each day with Dr Stephen Bosi, senior physics teacher from the University of New England.
- Includes membership of Tamworth Regional Astronomy Club Inc ([tamworthastronomy.com.au](http://tamworthastronomy.com.au))
- Join the Association of Variable Star Observers. Become a comet recorder and a contributing citizen scientist.
- Maybe a few surprises as well!

...and enjoy the extraordinary sights, sounds and hospitality of Tamworth, NSW.

**ELIGIBILITY:** Anyone 18 years and over is eligible; no experience is required. Maximum of 20 places.

**WHEN:** 24th-28th October, 2022.

**LOCATION:** The incredible Tamworth Astronomy and Science Centre, Piper Street Tamworth, NSW, Australia. **COST:** \$2,200 per person. Includes all activities; excludes accommodation and your transport to Tamworth. This is a scientific and fundraising venture for the Tamworth Regional Astronomy Club Inc. (A registered not-for-profit charity).

**TO SECURE YOUR PLACE:** Contact Club members below to obtain your application form and payment details. Participants will be accepted on a first come, first served basis.

### YOU WILL BE LED AND GUIDED BY:

Members of the Tamworth Regional Astronomy Club and Dr Stephen Bosi, a senior physics/astronomy lecturer at the University of New England, Armidale, NSW. Stephen has an impressive background in science - look him up!

**REGISTER NOW!** Contact Warwick on 0437 834 944 or Margie on 0427 668 802. email: [tracthestars@gmail.com](mailto:tracthestars@gmail.com)
